

MSC 461: Marine Affairs Seminar

RECURRING SEMINAR SERIES — FALL 2026

Day of the week: Mondays

Time: 12:20-1:35 PM

Location: Main Campus - Flipse 301

Snacks and refreshments will be available

Held every Monday through the fall, each session features a different speaker and topic, with a flyer sent out beforehand.

UM shuttles make the site easy to reach: Flipse is a 10-minute walk from the Brescia/Scodella stop (Miller Circle Route) and one minute from The Lennar Foundation Medical Center Garage (Stanford Route).

Grad Student Panel

Monday: September 14th

Panelists: Austin Wells, Marissa Naclerio, and JD Reigrut

Topic: Thinking Across Disciplines — EVR graduate students introduce their research and discuss how they work across disciplinary boundaries: bringing knowledge together, deciding which questions matter, and what graduate school teaches that a textbook can't.
